

RECOVERING THE PAST, ONE STRUCTURE AT A TIME. - HERMANOS SIN FRONTERAS INC.

Project Title	RECOVERING THE PAST, ONE STRUCTURE AT A TIME. - HERMANOS SIN FRONTERAS INC.
Project Summary	This economic – cultural project seeks to recover an old structure to put it into operation and turn it into a workshop center for handicrafts and a center for cultural activities.
Country	United States

Project Description

This cultural – economic project in its first stage of a year will identify the structure, the investigation of the own we and the laws that apply to the restructuring of the property and the guidelines for the acquisition. It will continue with the identification of donors for the acquisitions and closure of the same, which is estimated at two years. The restructuring phase of the property will be evaluated in due course.

FEMA’s Hub of Philanthropic Engagement serves as a bridge between philanthropy and Puerto Rico’s recovery needs. The Hub is fomenting a more robust nonprofit sector through resource identification, connections, and training.

The Hub serves as an intermediary, between this nonprofit and the VSFS program, by uploading this project to VSFS website. Students applying to/selected for this project would be connected to/working directly with the corresponding nonprofit: HERMANOS SIN FRONTERAS INC.
